The screenshot displays the IBM Cloud Dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for 'Catalog', 'Manage', and 'Soniya B's Account'. The main content area is titled 'Dashboard' and includes a 'For you' section with six cards. The first card, 'Build', is highlighted with a purple background. The other cards are 'Build a web app with Watson Speech to Text', 'Get Started with Watson Studio', 'Build a Virtual Private Cloud (VPC)', 'Learn about IAM Roles', and 'Build a virtual machine'. Each card has a 'Getting started' button and a time estimate. Below this is a 'Recent support cases' section with a 'View all' link. The bottom right features a 'Planned maintenance' section and an 'IBM Cloud status' section with a world map.
